Statement – final review of individual study plan

Doctoral student's name

Planned date for public defence

Department

The doctoral student will, after an approved public defence, meet all outcomes for a doctoral degree according to the Higher Education Ordinance and the degree requirements according to the research subject curriculum.

Any remaining activities are documented in the most recent and locked version of the individual study plan.

Short description of and time schedule for the activities, remaining after the public defence

.....
Doctoral student's signature

.....
Principal supervisor's signature

Principal supervisor's name, in block letters

.....
Study director's or head of department's signature

Study director's or head of department's name, in block letters

The form is uploaded, together with the most recent locked version of the individual study plan, at the registration of the public defence.
